# *APPLY*

WEBSITE FOR EMPLOYEE RECRUITMENT

INTRODUCTION

"Apply" is a website which helps in establishing communication between employee and employer.

Helping unemployed workers look for job in very friendly way.

Helping local Bussiness owners to post jobs for employee.

PROBLEM STATEMENT

- In era of this great competitions there arises gap in communication many times, due to which job seekers are unable to apply for jobs they desire.

OBJECTIVES

- To create a user-friendly environment for communication between job seekers and recruiters.

- To help job applicants clarify any doubts related to job through one-on-one interaction with recruiters.

- To help local business owners to post job.

- To help Workers look for job in businesses nearby.

LITERATURE SURVEY

Observation	Source
• In many areas, jobseekers were more likely to use the Internet as a search tool and were particularly dependent on telephone helplines provided by the public employment service (PES).	https://www.tandfonline.com/doi/abs/10.1080/136911804200028460 5
